Sir:

This Preliminary Amendment is filed in response to the Final Office Action of March 25, 2003 and the Advisory Action of June 3, 2003. The amendments submitted with the previous response were not entered and are presented here again. Please amend the application as follows:

In the Claims:

Claim 1. (Currently Amended) A shaped charge comprising:  
a casing for a shaped charge;  
an explosive material disposed within the casing having a cavity formed therein; and  
a liner disposed within the cavity formed of a mixture of powdered heavy metal and powdered binder metal wherein  
the percentage of heavy metal in the mixture is within a range of approximately 91.0% to 99.98% by weight.

Claim 2. (Previously Amended) A shaped charge according to claim 1 wherein the heavy metal powder is chosen from the group consisting of tungsten, tantalum, gold, platinum, or any mixture thereof.

Claim 3. (Previously Amended) A shaped charge according to claim 1 wherein the heavy metal consists primarily of tungsten.
